### 3. Grant of License

---

Enfocus grants You, and You accept from Enfocus, a non-exclusive, non-transferrable license to use the Software solely for Your internal business purposes. The duration of such license shall be controlled by the Order Document(s), and shall either be perpetual or recurring (i.e. a Subscription based license) based upon such. Your continued use of the Software is subject to the timely payment of charges as they become due.

In circumstances where the Software, in view of certain functionality, may use the services of a third party datacenter, the license includes Your right to use said services solely for such purposes, and requires Your compliance with the applicable Acceptable Use Policy that is available at <https://www.enfocus.com/termsandconditions>, incorporated herein by reference.

## 4. Limitations on Use

---

The following terms shall apply based on the type of license that you purchase:

The use of the Software is limited to the number of licenses procured.

*Pertaining to Client Seat licenses*, the same is licensed for use in the number of Client Seats set forth by the Order Document.

*Pertaining to Concurrent User licenses*, the number of users using the Software simultaneously, may, at no point in time, exceed the number of licenses procured.

*Pertaining to Named User Licenses*, the use of the Software, at any time, is limited solely to use by the Authorized Users appointed and licensed at such time.

*Pertaining to a Trial License*, unless the Order Document states differently, Your use of the Software is limited to one Client Seat, solely for internal testing and evaluation, and excludes any other use including but not limited to the use of the software for commercial purposes.

*Pertaining to Developer Licenses*, unless the Order Document states differently, Your use of the Software is limited to the creation of software configurations and settings in a test environment aimed at testing, evaluation and quality assurance, and excludes any other use including but not limited to the processing of live production jobs or files. Unless stated differently in the Order Document, Developer Licenses are granted as perpetual licenses, provided that their continued uninterrupted use may be prevented by license management routines.

*Pertaining to Pre-Release Licenses*, unless the Order Document states differently, Your use of the Software is limited to internal testing and evaluation purposes aimed at determining the capability of the Software to perform the functions described in preliminary documentation separately provided, and excludes any other use including but not limited to the use of the software for commercial purposes.

*Pertaining to Tandem Licenses*, Your use of such license is limited to use in combination with existing licenses of the same Software previously procured.

*Pertaining to all licenses*: Absent Enfocus' consent, You will not sell, re-license, sublicense, transfer (to a different company or location), assign, lease or rent the Software. You may not modify or translate the Software. If the Software is provided with or as part of a specific product or device, You may not remove the Software from that product or device, and You may not use any portion of the Software separately from or independent of that product or device. You will not reverse engineer, decompile, or disassemble the Software or otherwise attempt to discover the source code of the Software except to the limited extent expressly allowed by non-waivable provisions of applicable law. You will not tamper with, bypass or alter the license management routines included in the Software or use the Software in violation of any Usage Restrictions and/or the license granted. If You receive an upgrade or update of the Software, You may continue to use the Software, or the upgraded or updated version of the Software, but not both. Unless otherwise expressly permitted in writing, You may not use, or permit others to use, the Software for or on behalf of any third party, to run an outsourcing business, or for any purpose other than Your internal business purposes. Further application specific restrictions may apply per the Software documentation.

The Software includes license management routines, designed to limit the functionality of the Software to the licensed functionality and/or to prevent the use of the Software outside the scope of the license granted. In order to do so, certain information (such as access credentials and other information as stated in the Enfocus Privacy Policy published at Enfocus' website [www.enfocus.com](http://www.enfocus.com)) is collected by the Software and/or processed by Enfocus in geographical

areas inside or outside the European Economic Area (including but not limited to the United States of America). By entering into or accepting this Agreement, You consent to the above.

## 5. Back-up Software

---

Your license includes making one complete copy of the Software solely for back-up purposes and use in the event the original copy of the Software is unavailable.

## 6. Ownership and Copyright

---

The Software and all intellectual property rights in it are and will at all times remain the sole property of Enfocus and/or its third party licensors. You will not remove any proprietary notice or other legend from the Software and You will reproduce those notices and legends on any copies or partial copies that You are permitted to make.

## 7. Warranties and Limitation of Liability

---

Enfocus warrants for a period of 90 calendar days after delivery (the "Warranty Period") that the Software will perform substantially in accordance with the accompanying user documentation provided that the Software is used under normal operating and maintenance conditions, as directed in the documentation, and in compliance with this Agreement. The warranties set forth in this Agreement will not apply if defects arise out of accident, neglect, misuse, failure of utilities, equipment failures, causes beyond Enfocus' control, or use other than ordinary use for which the Software is intended. This warranty does not cover any software, hardware or materials not sold by Enfocus (the case being through a channel partner), or any combination of Enfocus Software with the same. Any modifications to the Software by any persons other than Enfocus or an authorized partner will void the warranty described in this Agreement and cause an event of default under this Agreement.

In the event of a claim during the Warranty Period, Enfocus' sole obligation will be to cause the Software to substantially conform to its documentation (to the extent technically and reasonably possible and on the condition that the error is reproducible) by amending or updating the Software or supplying an alternative version of the product in which it is embedded. In the event that Enfocus is unable to bring the Software into compliance with the warranty, You may return the Software to Enfocus and You will be entitled to recover, as Your sole and exclusive remedy, the fees paid for that non-complying Software, depreciated in accordance with standard accountancy practices.

THIRD PARTY SOFTWARE, TRIAL SOFTWARE AND PRE-RELEASE SOFTWARE ARE PROVIDED ON AN "AS IS" BASIS WITHOUT CONDITION OR WARRANTY OF ANY KIND, INCLUDING ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, EITHER EXPRESS OR IMPLIED. THE WARRANTIES AND ENFOCUS' LIABILITY DESCRIBED IN THIS AGREEMENT ARE ENFOCUS' EXCLUSIVE OBLIGATIONS AND YOUR EXCLUSIVE REMEDIES. THEY ARE EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED. NO OTHER WARRANTIES, REMEDIES, OBLIGATIONS, LIABILITIES, RIGHTS, OR CLAIMS, WHETHER ARISING IN TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE ARE MADE OR GIVEN BY ENFOCUS, INCLUDING WITHOUT LIMITATION, ANY WARRANTY THE SOFTWARE IS ERROR OR BUG FREE. NO WARRANTY, EXPRESS, IMPLIED OR STATUTORY, IS MADE EXCEPT AS SET FORTH IN THIS AGREEMENT. ENFOCUS EXPRESSLY DISCLAIMS (AND YOU ACKNOWLEDGE THAT IT DISCLAIMS) ANY WARRANTY OF TITLE, MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL ENFOCUS, REGARDLESS OF LEGAL THEORY, BE LIABLE FOR ANY INDIRECT, INCIDENTAL, OR CONSEQUENTIAL DAMAGES, SUCH AS BUT NOT LIMITED TO ANY LOSS OF PROFIT, LOSS OF ANTICIPATED SAVINGS, LOSS OF DATA, OR ANY OTHER ECONOMICAL ADVANTAGE, ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR THE SOFTWARE PROCURED UNDER THIS AGREEMENT.

TO THE MAXIMUM EXTENT PERMITTED BY LAW, IN NO EVENT WILL ENFOCUS' LIABILITY ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT OR ANY SOFTWARE PROCURED UNDER THIS AGREEMENT, REGARDLESS OF LEGAL THEORY AND FOR ALL CLAIMS IN AGGREGATE, EXCEED THE PRICE YOU PAID FOR THE SOFTWARE GIVING RISE TO THE CLAIM.

## 8. Export and Tax

---

You may not export or re-export the Software in violation of any applicable laws or regulations including but not limited to those of the United States of America and the United Kingdom. In addition, if the Software is identified as export controlled items under the export laws of the United States of America or the United Kingdom, You represent and warrant that You are not a citizen, or otherwise located within, an embargoed nation and that You are not otherwise prohibited under applicable export laws from receiving or using the Software. All rights to use the Software are granted on the condition that those rights are forfeited if You fail to comply with the terms of this Agreement. In case of a transfer of licenses You agree to be responsible for the payment of all taxes and duties (including but not limited to VAT, sales taxes, import taxes, etc.) applicable or levied as a result of the import of the Software or of the transferred licenses into the country or geographical area where the transferred licenses will be used, and agree to indemnify and hold harmless Enfocus, its officers, agents and employees (the "Indemnitees") from and for any claims, suits and proceedings and any costs, fines and expenses awarded against or incurred by the Indemnitees as a result of Your failure to pay such taxes or duties.

## 9. Term and Termination

---

*License commencement date.* A license granted hereunder is effective from the earlier of the date provided in the corresponding Order Document or date of activation of the Software.

*Perpetual licenses.* Unless otherwise defined by the Order Document, the Software is licensed on a perpetual basis.

*Trial Licenses,* unless otherwise defined by the Order Document, automatically expire one (1) month from the start of the trial.

*Pre-Release Licenses* are granted for the period defined in the Order Document and, unless defined otherwise in the Order Document, automatically terminate upon the expiration of such period.

*Subscription based licenses* are granted for the initial period defined by the Order Document (the "Initial Term"). Following the Initial Term, if so indicated by the Order Document, Your license shall automatically renew for consecutive periods equal to the Initial Term, subject to You having paid all fees due and absent a notice of termination per the below ("Renewal Terms").

*Cancellation, termination and suspension of the license.* For perpetual licenses, You may terminate such license at any time upon written notice to Enfocus. For Subscription based licenses, either party must give notice of non-renewal at least 10 days prior to the expiration of the then current Initial or Renewal Term.

Without prejudice to any other remedy available to Enfocus:

- In case You fail to make a payment when due, Enfocus may, through technological means or by providing You with a corresponding notification, forthwith suspend Your license and prevent further use of the Software;
- This Agreement may be terminated "for Cause" as follows: This Agreement will terminate automatically if a party fails to cure a breach of any of its obligations within thirty (30) days from receipt of a written notice from the other party stating such breach. If the breach is not capable of being remedied, termination will be effective upon receipt of the notification; Enfocus further reserves the right to terminate this agreement upon written notice if You fail to make any payment when due;

Upon the termination of this license, You will cease all use of the Software and return or destroy all copies, full or partial, of the Software, as will be instructed to You, on a case-by-case basis, by Enfocus. Enfocus may, in its sole discretion, provide replacement Software if the original Software is lost, stolen, or corrupted. You agree to only use the replacement Software or, if found or rendered usable, the original Software. You will not otherwise dispose of the replacement or original Software.

## 10. Open Source License Terms

---

If any part of the Software is subject to any Open Source License Terms, as indicated by separate Open Source License Terms provided with the Software, the use and the license of that part of the Software will be subject to those Open Source License Terms. In the event of any contradiction or uncertainty between the license terms contained in this Agreement and the Open Source License Terms with respect to the portions of the Software governed by Open Source License Terms, the applicable Open Source License Terms will prevail.

## 11. Applicable law and competent jurisdiction

---

This Agreement shall be governed by and construed in accordance with the laws of the country, state or other geographic designation where Enfocus is located, without reference to its conflicts of laws principles. The United Nations Convention on the International Sale of Goods will not apply. Each party hereby consents that any litigation between the parties relating to this Agreement, breach, termination, or invalidity thereof, shall be conducted in the courts of the country, state or other geographic designation where Enfocus is located, and the parties irrevocably accept and submit to the exclusive jurisdiction of such courts. Notwithstanding the previous, Enfocus shall also be entitled to bring any actions against You in the courts of the jurisdiction or place where You are established, domiciled or operating, if the action concerns (1) the collection of a debt, money owed or nonpayment of invoices, or the return of property, or (2) the enforcement of Enfocus' intellectual property rights.
