

## Enfocus is looking for a student motion designer in July

### Who are you?

- A **media** student (2<sup>nd</sup> or 3<sup>rd</sup> year).
- You have passion and talent for **2D motion design**.
- You know the ins and outs of **Adobe After Effects**.
- Do you also know your way around **Adobe Premiere**? That's a big plus!
- You can speak **English**.

### What will you do?

- You will **create 2D explainer movies**, together with our awesome Marketing Coordinator.
- Our Marketing Coordinator will create amazing graphics / characters / scenes.
- You're the guy or girl that turns those graphics into cool 2D animations that will explain our products and solutions.

### Who are we?

- At Enfocus, we create **automation software** for printing companies.
- We're based in Ghent (Sint-Denijs-Westrem).
- We sell our software all over the world through a network of resellers.
- At Enfocus Marketing, a team of 3 people, we create all sorts of **online and offline marketing material** to connect those resellers to people that are interested in our software, your animations will be a nice contribution to that.

### When do you need me?

- Preferrably the entire month of July.
- But we're flexible: want to go to a festival, need to take a day off? Let's discuss exactly which days you'll be here before you start.

### "Wa shuift da?"

- The base salary is 1900 / month, which will be pro-rated with the number of days you will work.

### I want to do it! Who do I contact?

- Send an email (in English!) to our Marketing Coordinator, Claudina Pérez Muskus, at [claudinap@enfocus.com](mailto:claudinap@enfocus.com), and she'll get in touch for a chat.
